## INVITATION FOR PARTICIPATION

**EMPOWER INDIA 2009** is organised by **Urjavarana Foundation** jointly with **Bureau of Energy Efficiency (BEE)**, Ministry of Power, Government of India. The Exhibition cum symposium first of its kind is specially being organised to promote Energy Efficient products and systems, along with Efficient Building Materials as specified under **ECBC** and Support Systems for Energy Efficiency. It will also highlight star rated products as approved by **BEE**.

## ABOUT THE ORGANISERS

**Bureau of Energy Efficiency (BEE)** is the Central Nodal Agency for the implementation of Energy Conservation Act, and has wide statutory powers to promote Energy Efficiency in the country. Its mission is to institutionalise Energy Efficiency services, co-ordinate delivery mechanisms and provide leadership to promote improvement of Energy Efficiency in all sectors of economy through various regulatory and promotional instruments. Its objective is to reduce Energy intensity in the Indian Economy, which it intends to achieve with active participation of all stakeholders, resulting in accelerated and sustained adoption of Energy Efficiency in all sectors.

**Urjavarana Foundation**, a voluntary non-profit, NGO, since its genesis has played the role of a catalyst for spreading the messages of "*Efficient Use of Energy, its Conservation and Preservation of Environment*".

It is the main pioneering body in the country that organises Energy and Environment related activities that include Exhibition, Seminars, Training Programmes and Workshops. The foundation also publishes a bi-monthly Techno – Business magazine "**URJAVARAN**" that spreads the Foundation's philosophy of "*Efficient Use of Energy, its Conservation and Preservation of Environment*".
